For am<sup>t</sup> advanced by me towards the pay-

This Pew cost 550\$ - the remaining 450\$ was  
advanced by Mr. W<sup>m</sup> Parsons, for which I have  
given him my note payable on demand  
without interest. It is understood that he is to  
take the Pew off my hands at the cost, whenever  
I wish to dispose of it, or whenever the note  
shall be demanded, unless I should prefer to  
pay the money. And therefore no entry of said  
note is made in my Books - and my interest  
in said Pew is considered to be in fact only 100\$  
as entered above, altho' the Deed stands in  
my name alone.
